

Imagine that you are doing a project "Cooperation in the workplace" together with your friend. You have found some illustrations and want to share the news. Leave a voice message to your friend. In 2.5 minutes be ready to tell the friend about the photos:

- give a brief description of the photos, justifying the choice of the photos for the project;
- say in what way the pictures are different, justifying the choice of the photos for the project;
- mention the advantages and disadvantages (1–2) of the two ways of dealing with work;
- express your opinion on the subject of the project — whether you would like to work by yourself or in a group

You will speak for not more than 3 minutes (2–3 sentences for every item of the plan, 12–15 sentences total). You have to talk continuously.
