

Выберите только ОДНО из двух предложенных заданий (38.1 или 38.2). Укажите его номер и выполните согласно данному плану. В ответе на задание 38 числительные пишите цифрами.

38.1. Imagine that you are doing a project on **what teenagers usually eat for breakfast in Zetland**. You have found some data on the subject — the results of the opinion polls (see the table below).

**Comment on the data in the table and give your opinion on the subject of the project.**

| Typical breakfast | Number of the respondents (%) |
|-------------------|-------------------------------|
| Sandwiches        | 43                            |
| Egg-based dishes  | 20                            |
| Fruit             | 18                            |
| Cereals           | 14                            |
| Yogurt            | 5                             |

Write **200–250 words**.

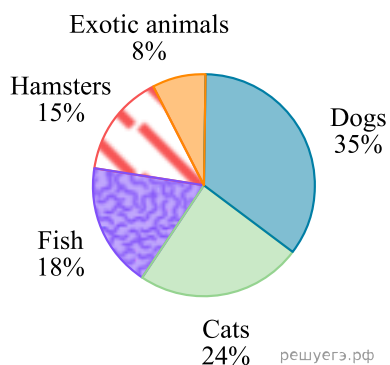

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2–3 facts;
- make 1–2 comparisons where relevant and give your comments;
- outline a problem that can arise with having breakfast and suggest a way of solving it;
- conclude by giving and explaining your opinion on the importance of having breakfast for teenagers.

38.2. Imagine that you are doing a project on **what pets people usually keep in Zetland**. You have found some data on the subject — the results of the opinion polls (see the pie chart below).

**Comment on the data in the diagram and give your opinion on the subject of the project.**
