

Вариант № 12558

Imagine that you and your friend are doing a school project "Ways of fishing". You have found some illustrations and want to share the news. Leave a voice message to your friend. In 2.5 minutes be ready to:

- explain the choice of the illustrations for the project by briefly describing them and noting the differences;
- mention the advantages (1–2) of the two ways of fishing;
- mention the disadvantages (1–2) of the two ways of fishing;
- express your opinion on the subject of the project — whether you believe using a boat is better or not.

You will speak for not more than 3 minutes (12–15 sentences). You have to talk continuously.
