

Imagine that you are doing a project "The climates of the world" together with your friend. You have found some illustrations and want to share the news. Leave a voice message to your friend. In 2.5 minutes be ready to tell the friend about the photos:

- explain the choice of the illustrations for the project by briefly describing them and noting the differences;
- mention the advantages (1–2) of the two types of climate;
- mention the disadvantages (1–2) of the two types of climate;
- express your opinion on the subject of the project — whether you would prefer to live in a cold climate or a hot one and why.

You will speak for not more than 3 minutes (12–15 sentences). You have to talk continuously.
