

Imagine that you and your friend are doing a school project "Communication." You have found some illustrations and want to share the news. Leave a voice message to your friend. In 2,5 minutes be ready to:

- explain the choice of the illustrations for the project by briefly describing them and noting the differences;
- mention the advantages (1–2) of the two types of communication;
- mention the disadvantages (1–2) of the two types of communication;
- express your opinion on the subject of the project — which way of communication you prefer and why.

You will speak for not more than 3 minutes (12–15 sentences). You have to talk continuously.
