

You have received a letter from your English-speaking pen-friend Mike who writes:

*... Next week we're presenting orally the results of our individual projects in science. My project is good, but I hate oral assessment in general and I'm afraid I won't present my project well orally. Do you have projects? How often do your teachers ask you to do projects in different subjects? What do you prefer: written reports or oral presentations? ... Imagine my brother Dan will have no homework for the whole term! His class's been chosen for the experimental group by his school administration!!! ...*

Write a letter to Mike. In your letter answer her questions, ask 3 questions about the Dan's reaction to the experiment. Write 100–140 words. Remember the rules of letter writing. You have 20 minutes to do this task.
