You have received a letter from your English-speaking pen-friend Jack who writes:

*...This year we started learning French. I think it's fun. I can already use some simple phrases. I like the melody of it but it's quite difficult to pronounce some sounds. Is English the only foreign language that pupils learn in Russia or can you learn other foreign languages? Is it fun to learn a foreign language for you? How do you plan to use it in the future? By the way, I was elected to our School Government and hope to get the position of the Minister of Sports...*

Write a letter to Jack. In your letter answer her questions, ask 3 questions about the rights and responsibilities of members of the School Government. Write 100–140 words. Remember the rules of letter writing. You have 20 minutes to do this task.
