1. 38.1. Imagine that you are doing a project on **what book genres are popular among teenagers in Zetland**. You have found some data on the subject — the results of the opinion polls (see the table below).
Comment on the data in the table and give your personal opinion on the subject of the project.

Book genre	Number of readers (%)
Adventure	55.4
Detective/war/spy stories	55.3
Sports stories	49.2
Animal stories	27.2
Romance	17.6

Write **200–250 words**.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with reading and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of reading for teenagers.

38.2. Imagine that you are doing a project on **what people use their smartphones for in Zetland**. You have found some data on the subject — the results of the opinion polls (see the diagram below).
Comment on the data in the diagram and give your personal opinion on the subject of the project.

What people use their smartphones for

Write **200–250 words**.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face using smartphones and suggest a way of solving it;
— conclude by giving and explaining your opinion on the role of smartphones in our life.

2. 38.1. Imagine that you are doing a project on **what social networks are used by teenagers in Zetland for communication**. You have found some data on the subject — the results of the opinion polls (see the table below).

Comment on the data in the table and give your personal opinion on the subject of the project.

Social networks	Number of teenage users (%)
Instagram*	33
Snapchat	32
TikTok	27
Facebook*	5
Twitter	3

Write **200–250 words**.

Use the following plan:

— make an opening statement on the subject of the project;

— select and report 2–3 facts;

— make 1–2 comparisons where relevant and give your comments;

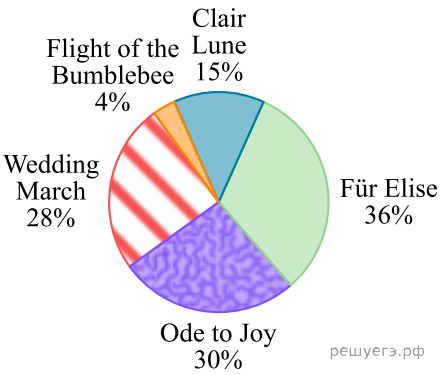

— outline a problem that can arise with social media and suggest a way of solving it;

— conclude by giving and explaining your opinion on the importance of social media for modern teenagers.

38.2. Imagine that you are doing a project on **what pieces of classical music people in Zetland can recognize when they hear them**. You have found some data on the subject — the results of the opinion polls (see the pie chart below).

Comment on the data in the diagram and give your personal opinion on the subject of the project.

Classical Music People Can Recognize

Write **200–250 words**.

Use the following plan:

— make an opening statement on the subject of the project;

— select and report 2–3 facts;

— make 1–2 comparisons where relevant and give your comments;

— outline a problem that can arise with classical music and suggest a way of solving it;

— conclude by giving and explaining your opinion on the role of classical music in our life.

— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with sibling rivalry and suggest a way of solving it;
— conclude by giving and explaining your opinion on how to deal with sibling rivalry.

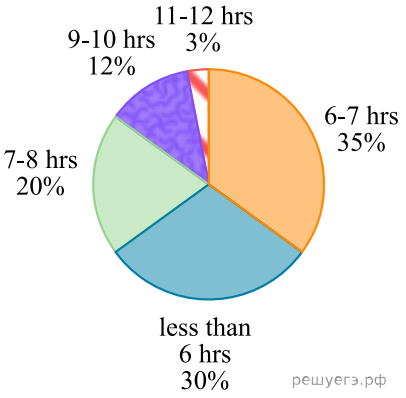

41. 38.1. Imagine that you are doing a project on **what kinds of YouTube channels grownups in Zetland enjoy following**. You have found some data on the subject — the results of the opinion polls (see the table below). **Comment on the data in the table and give your opinion on the subject of the project.**

Kinds of YouTube channels	Number of people who watch them regularly (%)
News	60
Conspiracy theories	55
Cooking	25
DIY (do it yourself)	20
Music	10

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise when following YouTube channels and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of getting your information from various sources.

38.2. Imagine that you are doing a project on **how many hours of sleep high school students in Zetland usually get on week days**. You have found some data on the subject — the results of the opinion polls (see the diagram below). **Comment on the data in the diagram and give your opinion on the subject of the project.**

Hours of sleep on week days

Write 200−250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem related to sleep that one can face and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of a good night's sleep for teenagers.

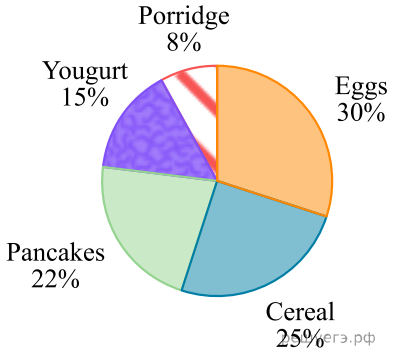

42. 38.1. Imagine that you are doing a project on **what kinds of drinks parents in Zetland consider best for children**. You have found some data on the subject — the results of the opinion polls (see the table below). **Comment on the data in the table and give your opinion on the subject of the project.**

Drinks	Number of respondents (%)
Water	57
Juice	20
Milk	18
Tea	4
Soda	1

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise when choosing drinks and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of drinking healthy liquids.

38.2. Imagine that you are doing a project on **what teenagers in Zetland enjoy eating for breakfast**. You have found some data on the subject — the results of the opinion polls (see the diagram below). **Comment on the data in the diagram and give your opinion on the subject of the project.**

Most popular breakfast foods

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem related to eating breakfast that one can face and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of a nutritious breakfast for teenagers.

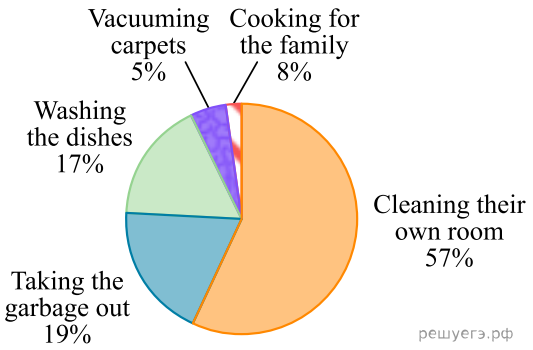

43. 38.1. Imagine that you are doing a project on **whose behaviour and appearance teenagers in Zetland like to copy**. You have found some data on the subject — the results of the opinion polls (see the table below). **Comment on the data in the table and give your opinion on the subject of the project.**

Role models	Number of respondents (%)
Elder sibling or cousin	35
Celebrity	28
Book or film character	24
Parent	8
Teacher	5

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise when copying somebody else's behaviour and appearance and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of choosing the right role model.

38.2. Imagine that you are doing a project on **what household chores teenagers in Zetland do regularly**. You have found some data on the subject — the results of the opinion polls (see the pie chart below). **Comment on the data in the pie chart and give your opinion on the subject of the project.**

Household Chores that Teenagers in Zetland Do Regularly

Write 200−250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem related to household chores that teenagers can face and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of helping parents around the house.

44. 38.1. Imagine that you are doing a project on **the most popular Valentine's Day gifts among young adults in Zetland**. You have found some data on the subject — the results of the opinion polls (see the table below).

Comment on the data in the table and give your personal opinion on the subject of the project.

The most popular Valentine's Day gifts	Number of respondents (%)
Flowers	38
Soft toys	27
Perfume	18
Tickets to the cinema	13
Jewellery	4

Write **200–250 words**.

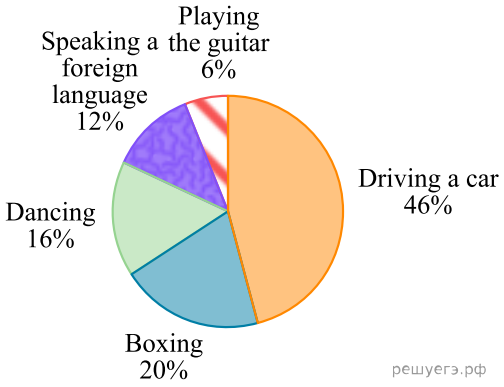

Use the following plan:

— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with choosing a gift and suggest a way of solving it;
— conclude by giving and explaining your opinion on the best present for Valentine's Day.

38.2. Imagine that you are doing a project on **the most important skills young Zetlanders would like to learn**. You have found some data on the subject — the results of the opinion polls (see the pie chart below).

Comment on the data in the diagram and give your personal opinion on the subject of the project.

What skills young Zetlanders would like to learn

Write **200–250 words**.

Use the following plan:

— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face developing new skills and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of learning something new.

45. 38.1. Imagine that you are doing a project on **the most popular jobs among young people in Zetland**. You have found some data on the subject — the results of the opinion polls (see the table below).

Comment on the data in the table and give your personal opinion on the subject of the project.

The most popular	Number of readers (%)
A government official	31
An engineer	28
An IT specialist	21

Creative work	14
Constant development	8

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with some IT jobs and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of IT in the modern world.

38.2. Imagine that you are doing a project on **what gifts Zetland teenagers would like to receive for their birthdays**. You have found some data on the subject the results of the opinion polls (see the pie chart below).
Comment on the data in the pie chart and give your opinion on the subject of the project.

The opinion poll question: what would you like to receive as a birthday present?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with birthday presents and suggest a way of solving it;
— conclude by giving and explaining your opinion on how to choose birthday presents for your friends.

47. 38.1. Imagine that you are doing a project on **the favourite school subjects of teenagers in Zetland**. You have found some data on the subject — the results of the opinion polls (see the table below).
Comment on the data in the table and give your opinion on the subject of the project.

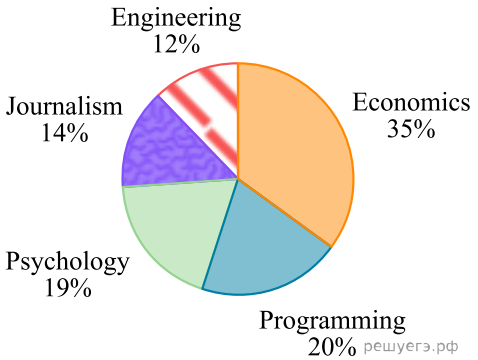

The opinion poll question: What is your favourite subject at school?

Subjects	Number of respondents (%)
Mathematics	40
Literature	23
History	21
Chemistry	9
Physics	7

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with studying some of the school subjects and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of studying a wide variety of school subjects.

38.2. Imagine that you are doing a project on **the kinds of careers teenagers in Zetland are thinking of pursuing**. You have found some data on the subject — the results of the opinion polls (see the pie chart below).
Comment on the data in the pie chart and give your opinion on the subject of the project.

The opinion poll question: what kind of career would you like to pursue?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that teenagers can face when choosing a career and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of choosing a career early.

48. 38.1. Imagine that you are doing a project on **different sports teenagers in Zetland enjoy playing**. You have found some data on the subject — the results of the opinion polls (see the table below).
Comment on the data in the table and give your opinion on the subject of the project.

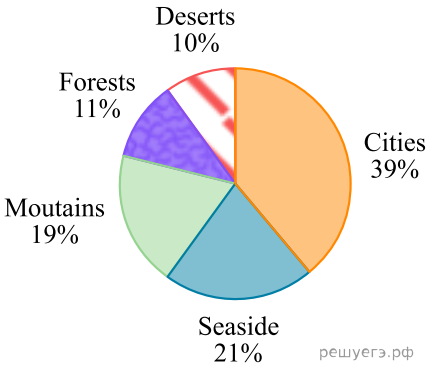

The opinion poll question:
Which sport do you play regularly?

Subjects	Number of respondents (%)
Football	38
Volleyball	25
Hockey	22
Basketball	8
Badminton	7

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when playing sports and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of playing sports for teenagers.

38.2. Imagine that you are doing a project on **the kinds of places people in Zetland enjoy travelling to**. You have found some data on the subject — the results of the opinion polls (see the pie chart below).
Comment on the data in the pie chart and give your opinion on the subject of the project.

The opinion poll question:
What kinds of places do you enjoy travelling to?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when travelling and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of travelling.

49. 38.1. Imagine that you are doing a project on **how teenagers in Zetland keep healthy**. You have found some data on the subject — the results of the opinion polls (see the table below).
Comment on the data in the table and give your opinion on the subject of the project.

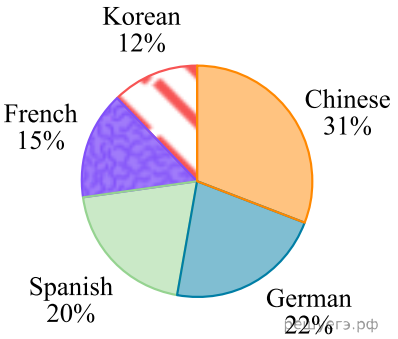

The opinion poll question:
What helps you to keep healthy?

Ways of keeping healthy	Number of respondents (%)
Playing sports	38
Visiting doctors	25
Going to the gym	22
Eating a healthy diet	8
Watching videos on how to keep healthy	7

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when trying to keep healthy and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of keeping healthy.

38.2. Imagine that you are doing a project on **the foreign languages teenagers in Zetland study**. You have found some data on the subject — the results of the opinion polls (see the pie chart below).
Comment on the data in the pie chart and give your opinion on the subject of the project.

The opinion poll question:
What foreign language do you study?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face studying foreign languages and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of studying foreign languages.

50. 38.1. Imagine that you are doing a project on **why some Zetlanders refuse to do sports regularly.**. You have found some data on the subject — the results of the opinion polls (see the table below).
Comment on the data in the table and give your opinion on the subject of the project.

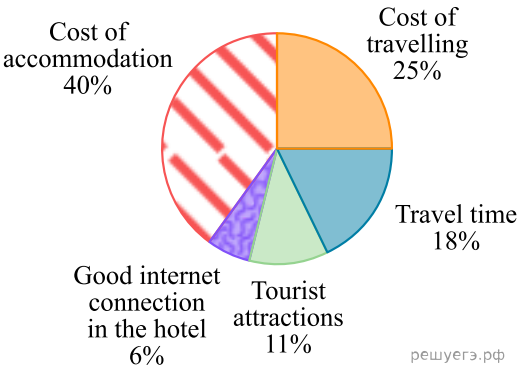

The opinion poll question:
Why do you refuse to do sports regularly?

Reasons	Number of respondents (%)
No pleasure	48
No motivation	18
Too expensive	13
No time for it	11
Nobody to share it with	10

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise if a person does not do sports regularly and suggest a way of solving it;
— conclude by giving and explaining your opinion on how to motivate people to do sports.

38.2. Imagine that you are doing a project on **how Zetlanders choose a place for their holidays**. You have found some data on the subject — the results of the opinion polls (see the pie chart below).
Comment on the data in the pie chart and give your opinion on the subject of the project.

The opinion poll question:
What is the most important factor for you when choosing a place for your holidays?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when choosing a place for one's holidays and suggest a way of solving it;
— conclude by giving and explaining your opinion on how to choose a place for your holidays.

51. 38.1. Imagine that you are doing a project on **why some Zetlanders are not keen on theatre-going**. You have found some data on the subject — the results of a survey (see the table below). **Comment on the survey data and give your opinion on the subject of the project.**

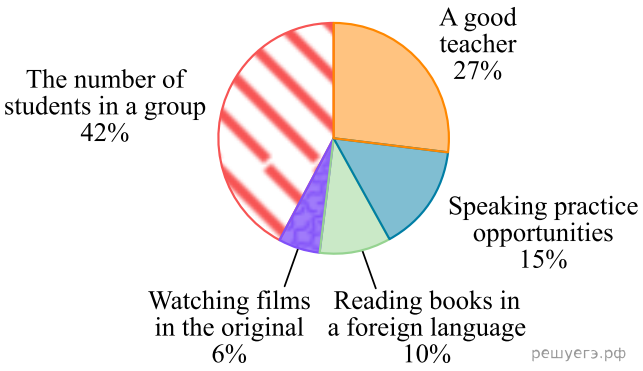

The survey question:
Why are you not keen on theatre-going?

Reasons	Number of respondents (%)
Too expensive	52
Too far from home	18
Other interests	13
Online broadcasts available	11
Inconvenient time of performances	6

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with choosing a play to watch at the theatre and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of theatre-going.

38.2. Imagine that you are doing a project on **studying foreign languages in Zetland**. You have found some data on the subject — the results of a survey (see the pie chart below). **Comment on the survey data and give your opinion on the subject of the project.**

The survey question:
What matters most in learning a foreign language?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when self-studying a foreign language and suggest a way of solving it;
— conclude by giving and explaining your opinion on what matters most in learning a foreign language.

52. 38.1. Imagine that you are doing a project on **why teenagers in Zetland want to have pets**. You have found some data on the subject — the results of a survey (see the table below).

Comment on the data in the table and give your opinion on the subject of the project.

The survey question: Why would you like to have a pet?	
Reasons	**Number of respondents (%)**
"A pet is your best friend"	39
"Because I love animals"	20
For emotional support	19
To play and have fun	18
To learn how to be responsible	4

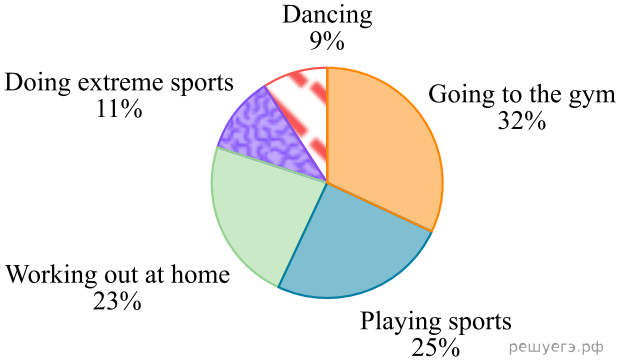

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when caring for a pet and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of pets in the lives of teenagers.

38.2. Imagine that you are doing a project on **the most popular types of fitness in Zetland**. You have found some data on the subject — the results of a survey (see the pie chart below).

Comment on the data in the pie chart and give your opinion on the subject of the project.

The survey question:
What kind of fitness do you prefer?

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when keeping fit and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of keeping fit.

53. 38.1. Imagine that you are doing a project on **why Zetlanders rarely buy Christmas presents online**. You have found some data on the subject — the results of a survey (see the table below).

Comment on the survey data and give your opinion on the subject of the project.

The survey question:
Why do you rarely buy Christmas presents online?

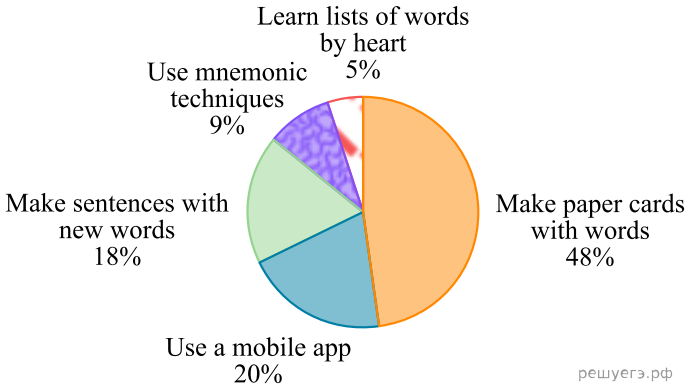

Reasons	Number of respondents (%)
Difficult to find a highquality presen	52
The photo may be deceptive	18
Choosing takes too much time	13
Late delivery	11
No gift packaging	6

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem connected with buying presents online and suggest a way of solving it;
— conclude by giving and explaining your opinion on whether it is advisable to buy presents online.

38.2. Imagine that you are doing a project on **the most effective method of learning new words in a foreign language for Zetland teenagers**. You have found some data on the subject — the results of a survey (see the pie chart below).

Comment on the survey data and give your opinion on the subject of the project.

The survey question:
What is the most effective method of learning new words in a foreign language?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with learning a foreign language and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of learning foreign languages.

54. 38.1. Imagine that you are doing a project on **what teenagers in Zetland value most in their schools**. You have found some data on the subject — the results of a survey (see the table below).

Comment on the survey data in the table and give your opinion on the subject of the project.

The survey question: What is the most important thing in school?	
Aspects	**Number of respondents (%)**
Quality of education	46
Good teachers	30
Friends	15
Modern equipment	5
Extracurricular activities	4

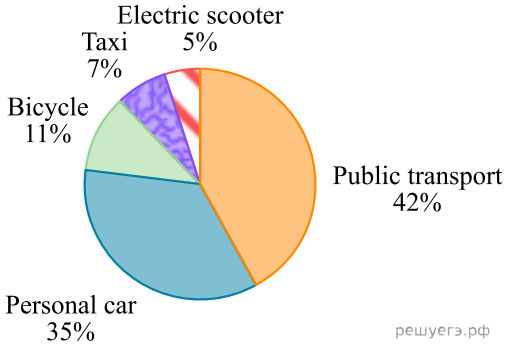

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when choosing a good school;
— conclude by giving and explaining your opinion on the importance of a good school for teenagers.

38.2. Imagine that you are doing a project on **the most popular types of transport in** Zetland. You have found some data on the subject — the results of a survey (see the pie chart below).

Comment on the survey data in the pie chart and give your opinion on the subject of the project.

The survey question:
What type of transport do you prefer?

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise when getting around a big city;
— conclude by giving and explaining your opinion on the importance of a good public transport system.

55. 38.1. Imagine that you are doing a project on **why many young Zetlanders choose to major in the humanities**. You have found some data on the subject — the results of a survey conducted among young Zetlanders (see the table below).

Comment on the survey data and give your opinion on the subject of the project.

The survey question:
The survey question:
Why have you chosen to major in the humanities?
Choose one option

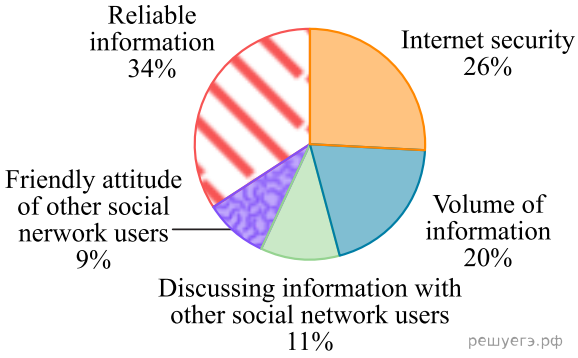

Options	Number of respondents (%)
Love for creativity	37
Interesting subjects	28
Public significance	20

Personal fulfilment	6

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2−3 facts;
— make 1−2 comparisons where relevant and give your comments;
— outline a problem that can arise with studying the humanities and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of choosing the right profession.

38.2. Imagine that you are doing a project on **Zetlanders' priorities in reading and discussing the news in social networks**. You have found some data on the subject — the results of a survey conducted among Zetland social networks users (see the pie chart below).

Comment on the survey data and give your opinion on the subject of the project.

The survey question:
What is your priority in reading and discussing the news in social networks?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2−3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with reading and discussing the news in social networks and suggest a way of solving it;
— conclude by giving and explaining your opinion on whether one should trust the news from social media.

56. 38.1. Imagine that you are doing a project on **the favourite weekend activities of teenagers in Zetland**. You have found some data on the subject — the results of a survey conducted among teenagers in Zetland (see the table below). **Comment on the survey data and give your opinion on the subject of the project**.

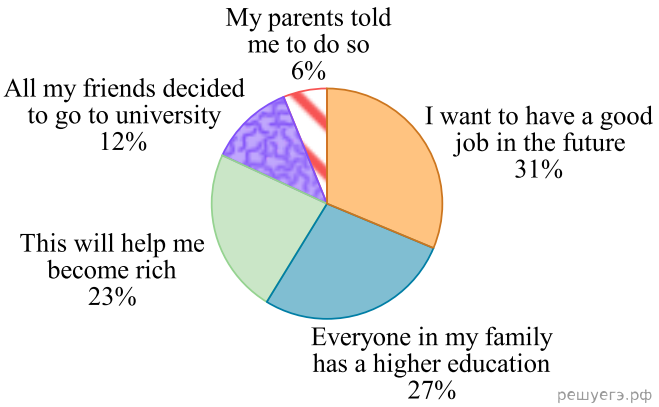

The survey question: What do you do on your perfect weekend? ***Choose one option***	
Options	**Number of respondents (%)**
Stay at home and play video games	41
Do sports or go on a hike	30
Go to the cinema with my friends	17
Go to a party	10
Clean my room	2

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise when choosing a weekend activity and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of spending weekends wisely.

38.2. Imagine that you are doing a project on **why many young Zetlanders choose to receive higher education**. You have found some data on the subject — the results of a survey conducted among young Zetlanders (see the pie chart below). **Comment on the survey data and give your opinion on the subject of the project.**

The survey question:
Why did you decide to study at university?
Choose one option

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;

— outline a problem that can arise when choosing a path after graduating from school and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of higher education in today's world.

57. 38.1. Imagine that you are doing a project on **why many young Zetlanders are interested in learning maths**. You have found some data on the subject — the results of a survey conducted among teenagers in Zetland (see the table below). **Comment on the survey data and give your opinion on the subject of the project.**

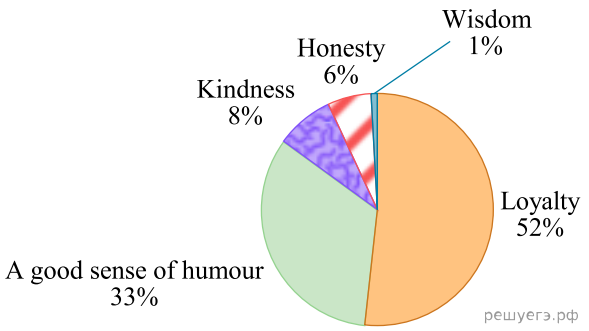

The survey question: **What are the benefits of learning maths?** ***Choose one option***	
Options	**Number of respondents (%)**
It develops your brain	37
It helps you in learning science	26
It helps you get into a good university	17
It makes your life more interesting	13
None that I can think of	7

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise while learning maths and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of learning maths.

38.2. Imagine that you are doing a project on **friendship among teenagers in Zetland**. You have found some data on the subject — the results of a survey conducted among young Zetlanders (see the pie chart below). **Comment on the survey data and give your opinion on the subject of the project.**

The survey question:
What do you value most in a friend?
Choose one option

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
