1. 38.1. Imagine that you are doing a project on **why some Zetlanders move to big cities**. You have found some data on the subject — the results of the opinion polls (see the table below). **Comment on the data in the table and give your opinion on the subject of the project**.

Reasons	Number of respondents (%)
To get a new job	34
To develop one's business	27
To get a better education	26
To have more entertainment	8
To make new friends	5

Write **200–250 words.**
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with moving to a big city and suggest a way of solving it;
— conclude by giving and explaining your opinion on living in a big city.

38.2. Imagine that you are doing a project on **what school project topics are popular among Zetland teenagers**. You have found some data on the subject — the results of the opinion polls (see the pie chart below). **Comment on the data in the pie chart and give your opinion on the subject of the project.**

School project topics popular among Zetland teenagers

Write **200–250 words.**
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that can arise with doing a school project and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of school projects.

2. 38.1. Imagine that you are doing a project on **how teenagers in Zetland spend their summer**. You have found some data on the subject — the results of a survey (see the table below).

Comment on the data in the table and give your opinion on the subject of the project.

The survey question: What is your favourite summer activity?	
Summer activity	**Number of respondents (%)**
Going to the beach	35
Swimming in the lake	24
Fishing	21
Biking	11
Hiking	9

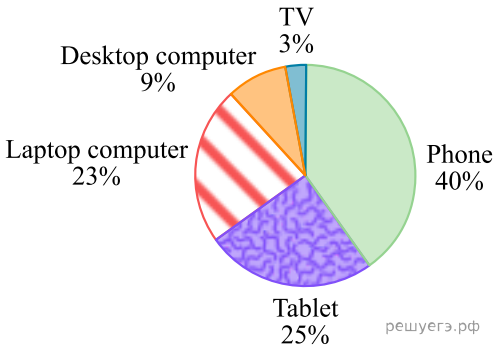

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when planning their free time during the summer and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of staying active in the summer.

38.2. Imagine that you are doing a project on **the role of modern technology in the lives of the teenagers in Zetland**. You have found some data on the subject — the results of a survey (see the pie chart below).

Comment on the data in the pie chart and give your opinion on the subject of the project.

The survey question:
What kind of modern technology do you use the most?

Write **200–250 words**.

Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem that one can face when using modern technology and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of using modern technology.

3. 38.1. Imagine that you are doing a project on **how Zetlanders help raise awareness about the environment**. You have found some data on the subject — the results of a survey conducted among Zetlanders (see the table below).

Comment on the survey data and give your opinion on the subject of the project.

The survey question:
How do you help raise awareness about the environment?
Choose one option

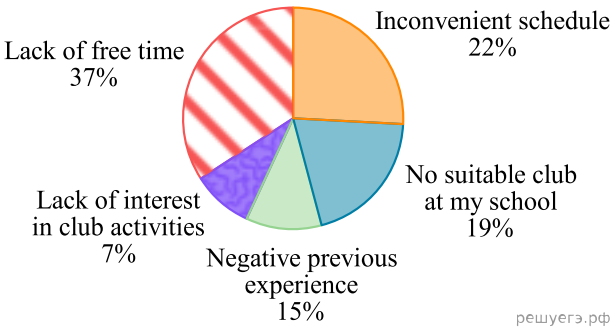

Options	Number of respondents (%)
Participate in local clean-up events	37
Reduce my own waste	20
Support environmental organisations	16
Educate friends and family	14
Share information online	13

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem related to neglecting environmental issues and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of protecting our planet's ecology.

38.2. Imagine that you are doing a project on school clubs. You have found some data on the subject – the results of a survey conducted among Zetland school students (see the pie chart below).

Comment on the survey data and give your opinion on the subject of the project.

The survey question:
What is your priority in reading and discussing the news in social networks?

Write 200–250 words.
Use the following plan:
— make an opening statement on the subject of the project;
— select and report 2–3 facts;
— make 1–2 comparisons where relevant and give your comments;
— outline a problem related to school club attendance and suggest a way of solving it;
— conclude by giving and explaining your opinion on the importance of attending school clubs.
